“ Negin Parvaz Pars (LTD) is a Tour & Travel Agency established in Tehran a decade ago. We provide a wide range of services and products to the tourism sector. We have managed to serve over two million passengers in Iran inbound, outbound, domestic and international, air, land and sea, tickets and tours, visa services as well as insurance.

We are the appointed GSA of Air Arabia across Iran since 2008 (six cities of Iran) with 5 town offices in main cities of Iran and 3 airport offices.

In 2014 we were granted to be the visa application center of the Indian embassy in the entire Iran by offering biometric services out of 4 cities for 4 years.

After having been successful on the subject of the visa application center and gaining trust in the Iranian market, we started as Denmark's visa application center in 2015 for 2 years.

As a travel agency our target is always to keep growing, covering more destination and services to our customers worldwide. Our outbound department is willing to have connections with the best DMCs in order to offer high quality services to the Iranian passengers.

Our inbound department is honored to offer various travel and tourism services to agencies, companies and individuals. In order to make an unforgettable stay for the travelers in Iran, one of the most beautiful countries in the world, yet to thirsty to be discovered.

In the following pages you will be provided with an overview of our organization, company history, travel services and other relevant information.

## About Us

# Our History

---

“ The company was founded by Ms. Fatima Ahmed, Mr. Saeed Haghighi & Mr. Mohsen Haghighi with a vision to establish a professional, innovative and dynamic organization in an ever-changing and challenging business environment. Ms. Ahmed has worked in the aviation and the banking industry for over three decades. She has served in positions in Iran Air and Gulf Air.

It is through the managers leadership and energy that the company has successfully managed over 2 million passengers and established International standard practices in travel, aviation and visa services.

The inbound department of the company (Iran Negin travel) was established in 2012. It started working professionally on inbound tourism in the fields of cultural, adventure, and MICE tours. Now, in 2018, we are proud of being considered as one of the most reliable Iranian tour operator in providing high quality services to our customers around the world.
